Belle Haven Country Club's Rules and Dress Code are designed to enhance the overall Club experience for all of our members, families and guests, while reflecting and preserving our Club culture and traditions.

The underlying premise is that every member should enjoy the Club in ways which do not interfere with its enjoyment by other members.

An important corollary of this rule is that every parent has the responsibility to provide clear guidance and oversight of these Guidelines to their children and family caregivers. Members are fully responsible for their guests, as well.
